IHNA is one of Australia’s leading education providers in VET sector with a vision to become Australia’s flagship provider of specialist healthcare education focused in research and curriculum development. IHNA offers high quality, engaging and interactive online and blended delivery education modes through campuses in three states of Australia and internationally, through strategic partnerships.

For international students, our courses are delivered via face to face classes. They are also supported by online tutorials which assist students in deepening their industry knowledge. IHNA programs are structured to provide a pathway to the highest level of nursing/healthcare profession.

At IHNA, we are committed to providing a supportive and positive environment for all members of our student community. IHNA has three fully equipped and capable facilities located in Victoria, Western Australia and New South Wales. HLT51612 Diploma of Nursing (Enrolled-Division 2 Nursing) course is available at all three IHNA campuses. All IHNA campuses are fully equipped with visual teaching aids, simulated laboratories, resource centres and libraries, and computer laboratories to provide the best learning experience to students. HLT51612 Diploma of Nursing (Enrolled-Division 2 Nursing) course is available at all three IHNA campuses.
Why study at IHNA?

- Our courses and learning materials are work-focused and designed to meet Australian VET standards in healthcare.

- We offer ample flexibility you can attend classroom courses or study online.

- Our trainers are experienced healthcare professionals who have work experience in Australia.

- Successful candidates will be job-ready and will have the knowledge and skills to practice with confidence and competence.

- Students are supported and guided, every step of the way.

- Our courses are nationally recognised.

- Students get valuable hands-on industry experience during their work placement, which is organised by IHNA*.

*I Note that IHNA does not offer 100% placement guarantee; this will depend on the location.

"I was sure what I wanted to study, but not sure where. I wanted a change in career and IHNA attracted me. I researched several schools on the internet and IHNA offered what I was looking for. I found the teaching staff caring and very helpful. The classes are small and this provides a good learning environment. I would definitely recommend IHNA to anyone who is thinking about studying a health course because IHNA is a good school."

Our Campuses:
Melbourne | Perth | Sydney

Melbourne Campus
Melbourne, the capital of Victoria, is Australia’s second largest city abundant with global culture landscaped by a colourful range of cultures, cuisines and ideas. Melbourne is a city of style, fashion, food, architecture, theatres, galleries, and gardens. IHNA Melbourne Campus is located in Heidelberg Heights, 10 kilometres from the Melbourne CBD. IHNA Melbourne Campus offers excellent student facilities and fully furnished shared accommodation which incorporates all utilities bills, internet facilities and local telephone facilities for international students.

Perth Campus
Perth is Australia’s fourth largest city and is the capital of the thriving State of Western Australia. It has a Mediterranean climate with warm, sunny weather for most of the year and is blessed with beautiful beaches and blue skies. IHNA Perth campus is conveniently located within the Perth CBD making it easily accessible to the students and has excellent on campus student facilities.

Sydney Campus
Sydney is the oldest, illustrious and culturally sophisticated city of Australia and is also the capital city of New South Wales state. The moderate sub-tropical climate in Sydney is always pleasant. IHNA Sydney campus is located in Parramatta, located in Greater Western Sydney, 30 minutes away from west of Sydney CBD. IHNA Sydney campus provides excellent learning environment for international students and is easily accessible using public transport system.
The HLT51612 Diploma of Nursing (Enrolled-Division 2 Nursing) qualification is nationally accredited and covers the application of nursing skills and knowledge required for registration with the Australian Health Practitioner Regulation Agency (AHPRA). The course content is in line with the requirements of some state/territory nursing and midwifery regulatory authorities.

There is a practical component with work placement that provides real-world exposure to students. The course modules are structured to provide a balanced program of theory and practice relevant to the career opportunities across a range of healthcare settings in Australia.

### Possible Job Outcomes

After successful completion of the program the candidates may gain employment in a health or community care facility which may include a hospital, aged care, rehabilitation centre, clinic, GP services, etc. as an Enrolled Nurse. Successful completion of the course enables graduates to be eligible to apply to AHPRA for registration as Enrolled Nurse. Students need to meet the eligibility criteria set by AHPRA at the time of registration.

To be registered as an Enrolled Nurse, applicants must meet the registration standards developed by the Nursing and Midwifery Board of Australia including the Nursing and Midwifery English Language Skills Registration Standard. The approved standards can be accessed at: www.nursingmidwiferyboard.gov.au/Registration-Standards
