HLT51612
Diploma of Nursing
(Enrolled - Division 2 Nursing)

CRICOS Course Code: 084139G
Studies have shown that there is a huge deficit of nurses in Australian healthcare and to make up this gap, the healthcare industry encourages more qualified nurses to join the workforce. The healthcare environment in Australia is on par with the best in the world, and nurses working here find that the experience gained broadens the scope of their nursing practice and accelerates their career prospects. IHNA’s comprehensive training courses are designed for nurses who wish to make their career in Australian healthcare.

At IHNA, students are provided with an environment that is conducive to learning and are provided with the best instruction and globally relevant courseware. The course content is carefully monitored to ensure that it is always grounded in sound clinical practice and theory. IHNA’s courses are delivered by experienced nurses who are practising in Australia and are well versed in current professional competencies.

Student needs are always given the highest priority at IHNA. IHNA’s experienced faculty guide them while they obtain all the skills and competencies required to become first-rate medical professionals in their chosen areas of expertise. Close coupling of theory, practice, content and pedagogy ensures higher comprehension and retention levels. IHNA’s student support services are unique and customized to each student’s individual needs, and are regularly updated with relevant practices.

IHNA is a community where we strive to nurture the dreams of our students and turn them into reality, through the provision of comprehensive well-rounded education and learning opportunities. To date, over 2000 students in over 100 batches have completed courses at IHNA with hugely successful results, and have gone on to achieve exceptional job outcomes in leading institutes in Australia and around the world.
Why study at IHNA?

• Our courses and learning materials are work-focused and designed to meet global standards in healthcare

• We offer ample flexibility- you can attend classroom courses or study online

• Our trainers are experienced healthcare professionals who have work experience in Australia

• Successful candidates will be job-ready and will have the knowledge and skills to practice with confidence and competence

• Students are supported and guided, every step of the way

• Our courses are nationally recognised and meet professional licensing or registration requirements
The HLT51612 Diploma of Nursing (Enrolled-Division 2 Nursing) qualification is nationally accredited and covers the application of nursing skills and knowledge required for registration with the Australian Health Practitioner Regulation Agency (AHPRA). The course content is in line with the requirements of some state/territory nursing and midwifery regulatory authorities.

There is a practical component with work placement that provides real-world exposure to students. The course modules are structured to provide a balanced program of theory and practice relevant to the career opportunities across a range of healthcare settings in Australia.

**Possible Job Outcomes**

After successful completion of the program the candidates may gain employment in a health or community care facility which may include a hospital, aged care, rehabilitation centre, clinic, GP services, etc. as an Enrolled Nurse. Successful completion of the course enables graduates to be eligible to apply to AHPRA for registration as Enrolled Nurse. Students need to meet the eligibility criteria set by AHPRA at the time of registration.

To be registered as an Enrolled Nurse, applicants must meet the registration standards developed by the Nursing and Midwifery Board of Australia including the Nursing and Midwifery English Language Skills Registration Standard. The approved standards can be accessed at:

www.nursingmidwiferyboard.gov.au/Registration-Standards
What do you need to know about this course?

What is the aim of this course?
The aim of the course is to produce highly skilled, competent, confident, critically thinking enrolled nurses. The Diploma of Nursing is nationally accredited and after successful completion of the program students can apply to the Australian Health Practitioner Regulation Agency (AHPRA) to gain registration as an enrolled nurse.

AHPRA registration enables graduates to practice in a variety of areas including acute, medical, surgical, general, rehabilitation, palliative care, operating theatres, paediatric, community, mental health or aged care settings in Australia under the supervision and direction of the registered nurse. This course may also provide pathway into the Bachelor of Nursing and other higher qualifications in health care.

How will I know the course enrolment details?
Call us to enquire about the next enrolment date.

What learning materials are included with this course?
The learning materials you will be given include:
- Learner workbooks
- Discussion forums
- Video resources
- Links to key online resources
- eBooks

What are the admission criteria for this course?
Applicants seeking entry into this course should meet the following criteria:
- Applicants are required to be 18 years old and above.
• Applicants must have successfully completed Year 12 of secondary school or equivalent, or be of mature age; OR
• Applicants must have successfully completed a certificate III or above qualification.
• Applicants are required to have successfully completed an IHNA LLN test or VET ASSESS LLN Test (with a valid score of minimum 50% for each area and issued within the last 12 months from the time of admission) and will be required to attend an interview.
• Applicants are required to successfully complete computer skills test (assessing the IT skills required for the qualification) with a score of minimum 50%.
• They must obtain a satisfactory Police Clearance Certificate, Working with Children Check, Vaccination/Immunization Certificate and Proof of Immunity (e.g. serology test results) for Work Experience Placement, as applicable.
• Basic computer skills are desirable for general work requirements.

What are the fees and costs?
For details please refer IHNA’s fee schedule.

How is the course assessed?
Assessment strategies are implemented for collecting evidence and making judgements about whether competency has been achieved by the learner. The assessments confirm whether an individual can perform to the standards expected in the workplace, as expressed in the relevant endorsed unit of competency.

Students will be assessed in both a formative and summative way. These assessment methods and strategies are consistent with the Training Package Assessment Guidelines.

Assessment tools used include:
• Written assessment
• Practical assessment
• Examination or testing
• Professional experience placement assessment
• Classroom/Online presentation

Course Commencement dates
For details please refer IHNA’s course start date.
What further studies could I pursue?
Candidates may progress to higher level qualifications within health care and/or across the community sector.
Potential pathways within the nursing sector are identified below
• HLT61107 Advanced Diploma of Nursing
• Bachelor’s Degree Program

What are the other courses that I may be interested in?
• Certificate III in Aged Care CHC30212
• Certificate IV in Aged Care CHC40108
• Certificate III in Home & Community Care CHC30312
• Certificate IV in Home & Community Care CHC40212
• Certificate III in Disability CHC30408
• Certificate IV in Disability CHC40312

What is IHNA’s Access and Equity Policy?
Our Code of Practice includes an Access and Equity Policy. This document is available on request. It is the responsibility of all our staff to ensure that students’ requirements of the Access and Equity Policy are met at all times.

Is there any legislation that I should know about?
A range of legislations are applicable to all IHNA staff and students. Information on relevant legislation is provided at www.ihna.edu.au/myihnas/legislations.

Further Information
The students can enrol any time of the year. The commencement of all courses is subject to enrolment quotas.

Disclaimer
All information contained in this publication including the availability of courses and fees is correct as of November 2015. For the latest course information, please refer to the relevant course section in IHNA website However, the Institute reserves the right to alter any course, procedure or fee.
Students should check with IHNA for any amendment prior to enrolment.
## Course Unit Details

26 units of competency are required for this qualification, including:
- 21 core units
- 5 elective units
